The village of Vermandovillers to the outh is bisected by a road, and to this oad the French penetrated by the same ind of fierce and bloody fighting that you Soyeccurt. At the road they were held up partly by barbed wire entangle-ments that neither artillery fire nor steers with wire cutters could pierce

# AT MIDLAND BEACH

lows Burned and Cable's Hotel Threatened.

About 10,000 pleasure seekers who were at Midland Beach, Staten leland, last evening saw a fire that burned a restaurant building and two frame bungalows there and did \$20,000 worth of damage. The blaze threatened at one time to spread to Cable's Hotel, the largest on the beach.

The fire started at 6 o'clock from some unascertained cause in the kitchen of

unascertained cause in the kitchen of the boardwalk restaurant run by John Hayden in the two-story frame building which is owned by the Midland Beach Realty Company. The flames are through the wooden partition shutting off the lining room and sent fifty patrons in a

Then the fire kindled two adjoining bungalows, occupied by the Finney and Nicholoson families. All the bungalow occupants, who were having dinner at the time, managed to get out safely. In line with these structures was Cable's Hotel, and the strong north wind began

driving the flames toward this.

Men and women who filled the dining com and veranda of the hotel speedily got away in the expectation that the place would be set ablaze, but before he fire could reach it the breeze died
